Dear Bart,

As discussed at our preconstruction meeting this morning we would like to formally request that the City of Oxford allow us to work 24 hours per day, 7 days a week on the above referenced project. This provision is made in our contract with MDOT in an effort to reduce lane closures during the day on Hwy 6. Buster Dorris and myself request to be placed on the Board of Alderman's agenda to answer any questions the City may have regarding this request. Thanks for your cooperation.

Sincerely,

Jamie Sullivan, P.E.
