

OXFORD POLICE DEPARTMENT CITIZEN POLICE ACADEMY

The Oxford Police Department (OPD) wants to strengthen the common bond of trust and understanding between the Department and the citizens it serves by exposing the community to a program where they can experience first-hand the many areas of police training. In the past, many members of the community have utilized television and movies to describe the role of the police. This has led to distorted images and unrealistic expectations of the police. By sharing the methods of how and why officers are trained the way they are, many myths and misunderstandings can be dispelled.

TOPICS COVERED: Mounted unit, K9 unit, Laws, Code Enforcement, Officer involved shooting, Housing unit, Community Service, DUI unit, Training, Investigation unit, SRO Unit, Juvenile Laws, Traffic Stops, Narcotics unit, SWAT, Active Shooter for Citizens, Citizens safety, Medic class.
