

Traffic Study Request Form

This Traffic Study Request Form is available for citizens of Oxford who have concerns regarding speed, cut-through traffic or other safety issues in their neighborhood. Once received by the Engineering Department, your request will be evaluated according to the Traffic Calming Policy adopted by the Board of Alderman in April 2013. Traffic Calming requests are handled on a first-come-first served basis based on the date this form is received by the Engineering Department. Please provide the requested information and submit to the Engineering Department.
