12. Brief Description: One-story, five-bay, brick masonry commercial building built in ca. 1903 and altered with Minimalist Traditional influence in ca. 1930. Flat roof covered with built-up asphalt roofing, with a flat parapet and stone coping. Storefront features a mezzanine-level display area above stepped and canted display alcove with single-light fixed display windows, tiled bulkheads, tiled apron, and center, single-light door with a single-light transom.

30. Historical Information: Sanborn maps indicate that this structure was built between 1900 and 1905; there does not appear to be a replacement building constructed between the 1916, 1925 and 1948 map series, which suggests that the front facade was the only part of the building changed in the 1930s.
